

Jeff Alexander, M.D.

Jeff Alexander, M.D., is owner and medical director of the **Skin Care Institute** medical spa in Tulsa, Oklahoma. He is certified by the American Board of Dermatology and has over 30 years experience in skin care.

Dr. Alexander is a graduate of the University of Nebraska Medical School and the University of Oklahoma Dermatology Program. He has served as president of the Oklahoma Dermatological Society and the Tulsa Dermatological Society.

Jeff Alexander, M.D.

Dr. Alexander is currently the chairman of the Department of Dermatology at St. Francis Hospital in Tulsa. He has served on the speaker's bureau for GlaxoSmithKline, SkinCeuticals, Novartis Pharmaceuticals, and SkinMedica. He has also served as assistant clinical professor and dermatology instructor for medical students and residents at the University of Oklahoma.

In 1999, Dr. Alexander opened the first medical spa in Oklahoma, the Skin Care Institute. By combining cutting edge laser technology with aesthetic and medical procedures, he paved the way for others in the industry. As medical director of the Skin Care Institute in Tulsa, Dr. Alexander introduced laser hair removal and intense pulsed light FotoFacial™ rejuvenation to Oklahoma. Recently, he was awarded the prestigious honor of being one of the top two in North America for best skin tightening and overall results by Reliant Technologies, manufacturer of the Fraxel re:pair™ laser.
